## IDENTITY, FINANCIAL AND PRIVACY PROTECTION

The Federal Reserve offers financial reassurance and time-saving expertise with InfoArmor's comprehensive identity protection plan – offered at no cost to you.

**Identity & Credit Monitoring.** Enjoy peace of mind with proactive identity and credit monitoring for the most damaging types of fraud.\* Uncover and resolve issues early to help minimize damages.

**Credit Scores and Reports.** Stay informed and protect your financial assets by detecting credit misuse quickly. Access a monthly credit score and an annual credit report from TransUnion.

**Threshold Monitoring.** Set limits on and manage all transactions, from all your accounts, in one place.

**Financial Transaction Monitoring.** Stay ahead of fraud with alerts that are triggered from additional data sources on credit, debit and checking accounts.

**Social Media Reputation Monitoring.** Defend yourself and your family from cyberbullying and reputational damage with actionable alerts and active monitoring of Facebook, LinkedIn, Twitter and Instagram profiles.

**Wallet Protection.** Minimize the stress and potential damages associated with losing your wallet. InfoArmor can replace the contents of a lost or stolen wallet through a secure online vault that conveniently stores important documents.

**Digital Identity Report.** Monitor the personal information available about you online. InfoArmor's deep internet search creates a snapshot of your exposed information.

**Privacy Advocate Remediation.** Navigate the identity restoration process and fight back against identity thieves with an expert by your side.

**\$1 Million Identity Theft Insurance Policy\*.** Take comfort in knowing that, if you are the victim of fraud, you will be reimbursed for your out-of-pocket costs to reinforce your financial security.

**Solicitation Reduction and IdentityMD.** Reduce unwanted calls, mail and preapproved credit offers and receive guidance on how to limit exposure to fraud.
